### **Perforated Banners Now Available**

Throw away those scissors and save set-up time by investing in Roll-A-Sign™ disposable perforated plastic banners for your next special event. Each image is individually perforated for easy separation ensuring that your event team will get “set up” quicker, more efficiently and hassle-free.

Each banner is printed in up to four spot colors of ink on high quality, weather resistant, 5 mil polyethylene plastic film. Rolls are available in lengths of 500’ and 1000’ yielding up to 333 banners per roll! Give us a call or shoot us an email to see how this valuable new option can provide a solution for your event team.
